preferences & accommodations
clinical tool

OTARC | La Trobe University

This tool is designed to support shared understanding about communication, engagement, and accessibility needs. It can be used during intake, early engagement, or ongoing work, and updated over time as needs or preferences change.

Please note: This tool is optional and can be completed in part or in full. You can choose not to answer any questions. Information can be updated at any time.

About me (optional):

Name:

Pronouns:

Anything important
you would like us to
know about you:

Communication preferences

How I prefer to communicate most of the time (tick all that apply):

- | | |
|---|--|
| <input type="checkbox"/> Speaking | <input type="checkbox"/> Auslan/sign language |
| <input type="checkbox"/> Writing/typing | <input type="checkbox"/> A mix of methods |
| <input type="checkbox"/> AAC/comms device | <input type="checkbox"/> I need help identifying these |
| <input type="checkbox"/> Other: | |

When I'm overwhelmed,
my communication may
change in these ways:

Things that make
communication easier for
me:

Receiving information

I understand information best when it is provided as (tick all that apply):

- | | |
|--|--|
| <input type="checkbox"/> Written | <input type="checkbox"/> Visual (images, diagrams) |
| <input type="checkbox"/> Audio | <input type="checkbox"/> Video |
| <input type="checkbox"/> A combination | <input type="checkbox"/> I need help identifying these |

Things that help me process information:

- | | |
|--|---|
| <input type="checkbox"/> Clear structure or agenda | <input type="checkbox"/> Receiving information in advance |
| <input type="checkbox"/> Summaries at the end | <input type="checkbox"/> Follow-up to clarify questions |
| <input type="checkbox"/> Clear deadlines | <input type="checkbox"/> I need help identifying these |
| <input type="checkbox"/> Other: | |

Appointments & engagement

I usually prefer appointments to be (tick all that apply):

<input type="checkbox"/> In person	<input type="checkbox"/> Structured
<input type="checkbox"/> Telehealth	<input type="checkbox"/> Flexible
<input type="checkbox"/> Shorter	<input type="checkbox"/> I need help identifying these
<input type="checkbox"/> Longer	

Things that help during appointments:

Things that help after appointments:

Sensory & environmental considerations

Sensory factors that affect me (tick all that apply):

<input type="checkbox"/> Sound	<input type="checkbox"/> Light
<input type="checkbox"/> Smells	<input type="checkbox"/> Visual clutter
<input type="checkbox"/> Touch	<input type="checkbox"/> I need help identifying these
<input type="checkbox"/> Other:	

Adjustments that help:

Support people & technology

I may need support with (tick all that apply):

<input type="checkbox"/> Paperwork or forms	<input type="checkbox"/> Understanding information
<input type="checkbox"/> Technology	<input type="checkbox"/> Attending appointments

Support person (if applicable):*

*Role/relationship:
